

## **CONCORDE TROPHY RULES**

1. Each player has a handicap for the overall game. The sum of the three players' handicaps must be added together to get the team's handicap. This team handicap must be entered in the boxes on the line 'add Handicaps- teams'. This will be then added to the 'total pre handicap'. All handicaps are based on last season's averages, summer league and early current year results.
2. All four games must be completed, up to 11.
3. In the event of a tie after the handicaps have been added, the team with the highest handicap wins and if teams have been given the same handicap and a tie occurs the away team wins.
4. A player may play for more than one club team in the competition but not in the same round. This is limited to two appearances for another team.
5. Handicaps may be amended before any round up to the semi final.
6. Score sheets must be returned to Michael Townend, 5 Leafield Avenue, Longwood, HD3 4TW.
7. Any problems please contact Michael Townend or Rod Hullah.
