

Match Procedure

Teams shall play 4 games of 11 up with no deuce.

To avoid postponements any player may play for another team on 2 occasions providing they do not play against the same team more than once.

Apart from revised handicaps the main change is to handicap difference

Example :- Brooks 'A' V Brooks 'D'

Player A	R Senior	-2	Player X	C Potter	36	= 38 difference
Player B	N Crosland	3	Player Y	J Robertson	40	= 37 difference
Player C	A Rennison	7	Player Z	A Stor	40	= 33 difference

Add up the scores from the four games then add the handicap difference to the score of the high handicapped player.

Note (Players on -4 and below cannot win against higher handicapped players.)
